

# HOW DEEP IS YOUR FAITH?

Mark 8:22-26

# HOW DEEP IS YOUR FAITH?

- Consider the unusual nature of this miracle.
- It wasn't unusual for Jesus to heal the blind.
  - He did this on many occasions.
  - Matt. 9; Matt. 20; Luke 18; John 9.
- The majority of the healings were immediate.
- Why was this one a little different?
  - This served as a sign- John 20:30

## **AN ANALOGY**

- Their **understanding** of Jesus was foggy.
- This is apparent earlier in Mark 8.
- All this happens ahead of Peter's confession.

## **AN EXAMPLE OF GROWING FAITH**

- Our faith cannot be our friend's faith.
- We don't even know if this man had faith.
- Why did God wait to give Abraham a son through Sarah.
  - **Gen. 17 (also Heb. 11:13)**

## **A LESSON FOR US**

- The more you let Jesus touch you the clearer that you will see.
  - Reading his word- II Tim. 3:14-17
  - Obeying his word- Heb. 4:12, I Tim. 4:13-15
