

USING YOUR GIFT

Romans 12:1-8

USING YOUR GIFT

- In our text Paul tells Christians three things:
 - **Turn bodies into a living sacrifice.**
 - **Transform your mind.**
 - **Test your faith.**
- 

USING YOUR GIFT

- Paul shows the Roman Christians that their value is determined by their spiritual service.
 - Possibly, even the Roman Christians struggled with judging themselves on their rank, wealth, eloquence, and function. (these truly are of no value). However, Paul's directive is to value the implementation of their faith through the varying gifts each of them possessed.
