

2 John 4-11

Preston Sprinkle: People To Be Loved

I stand on truth and I stand on love,
figuring out how to stand on both is
hard work

Love

- 2 John 4-6
- John found great joy in seeing her children walk in truth
- The command Jesus gave to love is no new command
- Matthew 22.37-40
- If you want to summarize all of the Old Testament commandments it would be: LOVE

Truth

- 2 John 8-11
- There are deceivers in the world who have gone out and preached the name of Jesus
- Warning against apostasy, they turned from the truth
- Do not greet those who take part in wicked works

What Does That Look Like?

- Luke 10.25-37
- “Who is my neighbor?”
- The Samaritan helped the man
- We don’t have issues with Samaritans today
- We must change the person “ but a _____”

Conclusion

- Jesus spent time connecting with sinners
- Thankfully they too can change their lives
- The quickest way for us to make sure someone stays lost is to do nothing.
