

The background of the image is a landscape featuring rolling hills in the foreground, silhouetted against a bright, glowing sky. The sun is low on the horizon, creating a strong lens flare and illuminating the clouds with a warm, golden light. The sky transitions from a pale yellow near the horizon to a soft blue at the top.

**And why stand we in jeopardy
every hour?**

I Corinthians 15:30

And why stand we in jeopardy every hour?

- **There is no doubt that in the resurrection of Jesus Christ lies our hope for eternal life.**
- **In I Corinthians 15, Paul does a beautiful and compelling job of proving why all men should believe in the resurrection of Jesus Christ.**
- **Sometimes we just need to be reminded of the confidence we can have in this event because occasionally doubts can creep in.**

And why stand we in jeopardy every hour?

- *We can be assured of the resurrection of Jesus and life beyond this physical world because of.....*

**Paul's preaching about what had been
revealed to him.**

- **How did Paul receive this information?**
 - **By direct revelation- Galatians 1:11-12**
 - **Through the Scriptures- I Cor. 15:3-4**

And why stand we in jeopardy every hour?

- *We can be assured of the resurrection of Jesus and life beyond this physical world because of.....*

Paul's confidence in the eyewitnesses (of which he was one)

- **This is significant because:**
 - **There were multiple eyewitnesses**
 - **Many of those witnesses were still alive.**

And why stand we in jeopardy every hour?

- *We can be assured of the resurrection of Jesus and life beyond this physical world because of.....*

Paul's foolish and wasted life if the resurrection were a hoax

- **I Cor. 15:19,30**
- **No reason to make drastic changes in your life.**
- **Life as a Christian had been less than easy.**
