SERVANT LEADERSHIP

Second Mile Service

- **Text: Luke 6:27-38, Matt. 5:38-48**
- **We want to examine the context of Jesus statement in Matt. 5:41, “And whosoever compels you to go a mile, go with him two.”**
- **The purpose of this section of Scripture is to show that God expects more from his people than just the ordinary. Reminds me of Luke 17:10.**

SERVANT LEADERSHIP

Second Mile Service

- **God has given us the formula for attaining the highest level of humanness possible.**
- **As a result, God is glorified, people are served and leadership is demonstrated.**
- **An example of godly living is set for all to see.**
- **The problem is that so few people are applying 2nd mile service in their lives.**

SERVANT LEADERSHIP

Second Mile Service

- **I'm afraid that we have the wrong idea about 2nd mile service? We like to redefine God's message.**
- **Doing things that we are supposed to do is not second mile services. Look at Luke 6 again.**
- **Doing something that requires sacrifice, imposition, or even dislike because it needs to be done is the way Jesus describes 2nd mile service.**
