

Text: Proverbs 13:4

Some people want it to happen, some wish it would happen, others make it happen.

(Michael Jordan)

Make it Happen!

- *“The soul of the sluggard craves and gets nothing, while the soul of the diligent is richly supplied.” - **Prov. 13:4***
- We often daydream about what we would like to have or who we would like to become.
- Some of these thoughts may be of a material, physical, or spiritual nature.

Make it Happen!

- Although we give God the glory and thanks for our achievements and successes, we still are expected to be involved in the process.
- Our text informs us that if we desire to have, then we must also have the willingness to do something about it.
- In other words, make it happen.

Make it Happen!

- Don't just sit around longing for what you don't have or pining over your specific situation because your situation is not improved. You will still have nothing!
- II Thess. 3:8-10 talks about this. If a man is unwilling to work then he doesn't deserve to eat.
